Testimonies

1. Farhan Masih – Gujrat

"I was struggling with anger and confusion about my future. Nothing seemed to help until I started watching JCTV's youth discussions. The way speakers shared God's Word in a practical way really spoke to me. I learned how to pray, forgive, and trust God with my decisions. Today, I feel more calm, focused, and hopeful. JCTV helped shape a new direction in my life."

2. Huma Samuel – Lahore

"After my marriage, I felt very lonely and spiritually weak. One night I came across Prayer Connection on JCTV. As the team prayed, I felt comforted and encouraged. I began joining every live session and slowly my heart healed. I've grown closer to God and found peace in prayer again. JCTV became a source of strength for me during a very sensitive season of my life."

3. Steven James – Mingora

"Being a Christian in a small city wasn't easy for me. I often felt discouraged and afraid to share my faith. Watching JCTV gave me courage and confidence. Seeing young believers boldly worship and testify inspired me deeply. I'm now more confident in my faith and even help organize youth fellowship in my area. JCTV truly empowered me."
