Testimonies

1. Daniel Yousaf – Faisalabad

"There was a time when I felt completely lost and distant from God. My daily routine was busy, but my heart felt empty. One evening I started watching JCTV and heard a message about God's unconditional love. That message touched me deeply and reminded me that God had not forgotten me. Since then, I regularly watch JCTV programs and spend more time in prayer and reading the Bible. My faith has become stronger and my life feels more meaningful."

2. Maria Khalid – Karachi

"During a difficult period in my life, I was facing a lot of stress and discouragement. A friend recommended JCTV to me, and I began watching the worship and teaching programs. The songs, prayers, and messages brought peace to my heart. Slowly I began to trust God again and believe that He had a plan for my life. JCTV became a spiritual encouragement for me and helped me rediscover joy in my relationship with God."

3. Samuel David – Islamabad

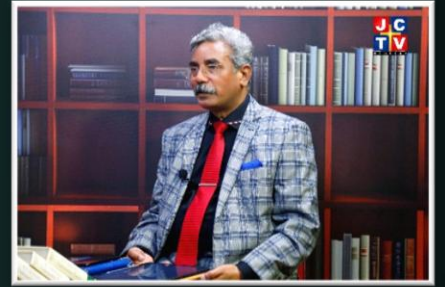

"As a young believer, I always wanted to grow in my faith but didn't know where to start. When I discovered JCTV, I began learning more about the Bible and Christian living through the programs and teachings. The testimonies of other believers inspired me to stay strong in my faith. Today I am more active in my church and youth ministry. JCTV has been a great source of learning and encouragement for my spiritual journey."
